### **Responsible Gambling - Need Any Help?**

Gambling is an exciting form of entertainment which should be harmless fun and entertainment.

For the great majority of people who play the Super Silk Lotto gambling is an enjoyable leisure pursuit. For a very small number however, there may be problems and gambling can cease to be fun.

Gambling may be a problem for people who:

- Continue to gamble until all their money is gone.
- Borrow money to continue gambling.
- Due to their gambling, neglect the welfare of themselves and their family.
- Feel unable to take breaks when gambling for prolonged periods of time.

If you think that you may have a gambling problem, or if someone close to you is experiencing a problem, assistance and support can be obtained from GamCare, the national centre for information, advice and practical help for anyone affected by problem gambling.
