INTRODUCTION

The Silkmen Supporters' Society (the SST) was set up on 26 December 2005 as a vehicle for supporters of the defunct Macclesfield Town Football Club and has now transferred its allegiance to Macclesfield Football Club (MFC) in order to democratically represent the interests of MFC supporters and benefit the community that the club serves.

The Society's objects include:

- Providing the democratic and representative voice of the supporters of MFC and strengthening the bonds between the Club and the communities that it serves.
- Facilitating optimum supporter and community influence regarding the future direction of MFC.
- Promoting responsible and constructive community engagement with present and future members of the communities in alliance with MFC.
- Operating in a democratic transparent manner and with financial responsibility.
- Acting as a person centred and inclusive organisation to ALL supporters of MFC in accordance with the recommendations of the Equality Act (2010).

STRUCTURE

What is a Supporters Trust and who is in charge?

A Supporters' Trust is a democratic, not-for-profit organisation of supporters, committed to strengthening the voice for supporters in the decision-making process at a club, and strengthening the links between the club and the community it serves.

Supporters' Trusts are constituted as Community Benefit Societies (CBS), a form of Co-operative that operate under a one-member one-vote principle and are governed by a strict set of rules.

CBS' are registered with the Financial Conduct Authority and as such has a number of legislative requirements to fulfil such as holding an Annual General Meeting and submitting annual accounts.

The members own all assets and liabilities collectively, and any profit made is either kept as reserves or reinvested to meet the societies objects.

Members elect the Trust Board, and any members of the Trust (aged 16 or over) can stand for election to the Trust Board.

The Trust has an appointed Executive Arm which carries out the Administrative functions for the Trust Board (TB) such as Secretarial, Membership; Finance, Press, Media, etc, as needed. These positions are periodically subject to open and fair

recruitment.

In addition, the TB has a number of Working Groups (Community, Communications & Engagement, Finance & Governance, and Ownership & management) to help carry forward various parts of Trust business and positions on these groups are open to any ordinary members who express an interest.

MEMBERS REQUIREMENTS

How ordinary members can work to achieve the Trusts goals:

There are lots of ways that ordinary Trust members can help the Trust achieve their goals.

Specialist projects which the Trust undertakes will require large sub-committees with people on them who can offer particular skills to the identified project, and also monitor progress of the project.

Regular members meetings will provide the opportunity for ordinary members to have a voice and help them impart a whole host of ideas and skills. The more members that there are within the Trust, the greater its effectiveness and credibility.

Social media and digital communications will undoubtedly play a major role towards the Trust achieving its goal of being a fully inclusive organisation. As a consequence, it will not matter where you live or whether you are able to attend meetings. The same voice and voting rights will be applicable whether you live in Bollington or Brisbane.

If you have any questions or concerns you want to raise at an upcoming meeting this can be done via the website or Trust Secretary.

MEETINGS & MOTIONS

Regularity of meetings, types of meeting and how to raise a motion:

The Trust Board will meet monthly and provide members with access to a written update after each meeting of items discussed and decisions made.

A schedule of meetings is published at the start of the year on the Trust Website. Trust members are welcome for Part A of the meeting. Please contact the Trust Secretary via secretary@sstrust.uk if you wish to attend the Trust Board.

The Trust will hold an Annual General Meeting where members will be asked to vote upon motions raised by the trust board or individual members. At the AGM, the previous year's annual audited accounts are presented and voted on by the attendees.

Motions to the AGM must be formally raised and seconded by two members and submitted to the Trust Secretary 30 days before the AGM date for the motion to be added to the agenda. The 30 day period also applies to nomination of items for the AGM agenda.

Members meetings will be held on a regular basis with appropriate notice given prior to meetings allowing members to submit motions, they wish to be raised.

All Trust events and meetings will be announced on the Trust website along with notifications sent by email to members and through our social media channels.

ELECTIONS

How to stand for election to the Trust Board:

Each year members over the age of 16 will have the opportunity to stand for election to the Trust board.

Board members serve a set term of three years.

Prior to the elections the Trust board will advise members of how many board seats are up for election and invite nominations.

If there are more nominations than the number of available seats a formal election will take place.

Potential candidates must be nominated by three current trust members over the age of 16.

Candidates will be asked to provide a candidate's statement laying out their strengths and what skills they could contribute to the Trust board and members will be invited to vote for the candidates whom they would like to fill the available seats.

ROLES & RESPONSIBILITIES

The board is a group of people elected by the Trust members and co-opted onto the board to carry out strategic management of the society.

Board members have a legal duty to act in good faith and in the pursuit of the best interests of the society.

CHAIRPERSON

The Chairperson is an important role, providing leadership to the board for the overall governance and strategic direction of the society.

The Chairperson is an elected member of the Trust Board selected to Chair the Trust Board by fellow board members and is elected annually following the AGM.

The Chairperson may also be the external face of the society liaising with partners and stakeholders.

The Trust Board appoints Trust Officers who are non-voting members of the Trust Board to carry out unique responsibilities as detailed below.

SECRETARY

The Secretary is responsible for the efficient administration of the society, particularly regarding ensuring compliance with statutory and regulatory requirements and for ensuring the board's decisions are implemented. They need to remind the board of the

rules to protect members' interests.

It is recommended practice that the Secretary be appointed rather than elected to the board.

TREASURER

The Treasurer deals with all aspects of finance and funding, although some aspects of the work may be delegated to a bookkeeper or finance sub-committee.

The treasurer will have a general financial oversight, advising the board on all aspects of finance.

RULES

What are the rules and where to find them?

The Trust will have a registered set of rules or constitution, which lays out how the society should operate.

These rules are registered with the FCA and any changes to them must be agreed at a general meeting with the FCA informed and accepting of any alterations before they can be enacted.

All members are bound by these rules.

The full rules can be found on the Trust website at - www.sstrust.uk

POLICIES

What are the policies of the Trust and where to find them?

Where it's the Trust rules that tell you what to do, it is the Trust policies that tell you how to do it!

The Trust have adopted several policies which are guidance on how to hold an AGM, how to hold Board meetings, how to run elections, disciplinary policies for Board members and ordinary members, social media use guidance and an inclusion and diversity policy.

These policies do not need to be registered with the FCA, merely adopted at general meetings.

You can find a list of the policies and the policies in full on the Trust website – www.sstrust.uk

COMPLAINTS PROCEDURE

If a member has a complaint to raise in the first instance, they should put the complaint in writing to the Trust Secretary for consideration by the Board.

If it gets to a point where the complaint cannot be resolved, and the dispute needs to be escalated there is a provision within the society rules as detailed below.

This action should only be used as a last option when all other avenues for resolution have been exhausted.

Every unresolved dispute which arises out of these Rules between the Society and:

- **A member.**
- **Any person aggrieved who has ceased to be a member within the six months prior to the date of the dispute.**
- **Any person claiming through such member or person aggrieved.**
- **Any person bringing a claim under the Rules of the Society.**
- **An officer of the Society.**

Is to be submitted to an arbitrator agreed by the parties or nominated by the Chief Executive (or equivalent) of the

FSA. The arbitrator's decision will be binding and conclusive on all parties.

Any person bringing a dispute must deposit with the Society the sum of £500 or such other reasonable sum as the Society Board

shall decide.

The arbitrator will decide how the costs of the arbitration will be paid and what should be done with the deposit.
