1. The chairperson welcomed everyone to the meeting.
2. John Abbott went through our current finances. We have currently have £11875 in our various accounts. Included in this figure is £2947 which we are holding for the club, being their share of the 50/50 in the season so far.
The Silk Pledge stands at £524.
The annual accounts are ready to send in.
3. The 50/50 is going well.
4. Communications are reaching more people.
5. Caroline is going to speak to Bernie about the website.
6. Having a shop at the ground is not viable at the moment, but the club are hoping to have a better shop at the start of next season.
7. No one had any items to bring up in Any Other Business.

The next meeting will be 12th January when we will have a meal. Venue TBA.
